## We care for more

### Dussmann: a partner with a passion for solutions

Dussmann Italy is the Italian branch of the Dussmann Group, headquartered in Berlin. We are your partner for integrated facility management, food services, and technical plant and systems engineering. We combine entrepreneurial thinking with high-quality, innovative and reliable solutions while embracing our responsibility for customers, employees, the environment and society. We take care of people and the places where they live and work – to make their lives richer and easier.

#### Our services

- **Dussmann Facility Management** offers all major cleaning and sanitizing activities, sterilization of surgical instruments, security, and services for hotels and retail, food and processing industry, museums and cultural places, ports and airports.
- **Dussmann Food Services** offers diverse and sustainable dining concepts for children, employees, patients, and guests at senior facilities, all with warm hospitality.

With a focus on innovation, digitalization, and technology, Dussmann develops customized concepts and solutions, all with a focus on customers and their industry-specific requirements. This frequently produces specialty solutions that are not available elsewhere on the market in this form. Customers include global players in the automotive, pharmaceuticals, and semiconductor industries and from the life sciences, healthcare, and commerce sectors, alongside data centers and public institutions. Dussmann is the biggest division and also the nucleus of the Dussmann Group, an international family company with 66,000 employees worldwide that offers a full range of services having to do with people.
